School Overview

Airville State School, 9km from Ayr, is located within the Burdekin Region. Children work and play in an environment that is safe, disciplined, tolerant, challenging and family-oriented. Students engage in local events such as the ANZAC Day parade, junior eisteddfod as well as cultural days, social and sporting events with other small schools within the district. Children also compete in the UNSW competitions. Curriculum strengths in literacy and numeracy studies have resulted in Years 3 and 5 students consistently achieving at or above both the state and national mean for reading, writing, spelling, grammar, punctuation and numeracy. Annual opinion surveys of parents, students and staff indicate high to very high levels of satisfaction with all aspects of school operations and activities. Airville is considered by the community to be a good school with parents, students and staff actively promoting the achievements of the school. 'Always Your Best' is the school motto and is actively applied by all members of the school community in all aspects relating to the support and learning of students, teachers, staff and the Airville community. Airville State School has provided educational opportunities for children for over 125 years.

Principal's Foreword

Introduction

Airville State School is a co-educational school that has a proud history of providing quality education to children for over 125 years. Our school motto: 'Always Your Best' captures the philosophy of and the strength of the commitment of the whole school community in supporting the current and future achievements of our Preparatory to Year 6 students. Our multi-level class groupings provide multiple opportunities for all students to reach their fullest potential. Individual needs and abilities are catered for within a safe, supportive learning environment where every student is valued and respected.

The requirements of the Australian Curriculum are continuously implemented through all year levels and in all key learning areas, with staff ensuring that student individuality and diversity of learning needs are fully catered for within an environment that strives to consistently embrace quality and effective contemporary educational practices. Investing in our Schools (I4S) funds were used to provide and support our sharp and narrow learning improvement agenda.

This report details the growth, development and performance of Airville State School in 2017. It provides parents and members of the wider community with insights into our successful implementation of our programs, teaching and learning progress, community partnerships and standards achieved by our students

School Progress towards its goals in 2017

Goal: That 90% of students achieve a C or higher in English, Maths and Science in every year level.

The target of each child achieving a C or higher in the above mentioned learning areas has been achieved with all of the students achieving at a B or higher level. Students working within the parameters of their individual curriculum plans have shown progress towards achieving some or all of their identified individual learning goals. Data analysis of achievements has

provided guidelines for improvements in teaching practices, early intervention for learning and extension of learning. This has been and will continue to be an ongoing process for improvement.

Future Outlook

The key improvement priority for 2018 is to achieve high student performance with a focus on creative and critical thinking and writing within the curriculum. This will be achieved through:

- systematic curriculum delivery whereby better than 95% of students in Years 1 to 6 achieve an overall level of achievement at an A or B standard in English, Maths, Science and History and Social Sciences (HASS) and where the Year 5 students obtain achievements within the Upper Two Bands in the annual NAPLAN writing tests.
- building an expert teaching team, utilising access to professional development opportunities as well as providing opportunities for teacher self-assessment, moderation, collaborative planning and co-teaching.

Our School at a Glance

School Profile

| | |
|-------------------------------------|--------------------|
| Coeducational or single sex: | Coeducational |
| Independent Public School: | No |
| Year levels offered in 2017: | Prep Year - Year 6 |

Student enrolments for this school:

| | Total | Girls | Boys | Indigenous | Enrolment Continuity (Feb – Nov) |
|-------------|-------|-------|------|------------|----------------------------------|
| 2015 | 22 | 9 | 13 | 2 | 78% |
| 2016 | 23 | 7 | 16 | 4 | 86% |
| 2017 | 22 | 5 | 17 | 2 | 100% |

Student counts are based on the Census (August) enrolment collection.

In 2017, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<https://qed.qld.gov.au/earlychildhood/families/pre-prep-indigenous>).

Characteristics of the Student Body

Overview

Our families come from a broad range of socio/economic backgrounds ranging from low to upper. The majority of students live within a 10km radius of the school on rural properties. Public transport is non-existent, so the majority of students are transported to school in their family vehicles. A small number of students occasionally ride their bikes, however this becomes hazardous during the annual cane crushing season when large, heavy machinery constantly access the surrounding rural roads. No children walk to school due to the distance of the school away from the nearest residences. A large percentage of families are double income families consisting of: professionals and those involved in agricultural industries. Approximately 10% of students identify as being an Aboriginal or Torres Islander person. Students with disabilities are also catered for within our educational learning environment. English is the first language for 100% of the students.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

| AVERAGE CLASS SIZES | | | |
|---------------------|------|------|------|
| Phase | 2015 | 2016 | 2017 |
| Prep – Year 3 | 13 | 14 | 11 |
| Year 4 – Year 6 | | | 11 |
| Year 7 – Year 10 | | | |
| Year 11 – Year 12 | | | |

Curriculum Delivery

Our Approach to Curriculum Delivery

- Children work in multi-level groups across all year levels from Prep to Year 6.
- Individual and small group instructions occur on a daily basis with each group supported by teachers as well as teacher aides.

- Individual intervention processes include: one-to-one instruction with teachers and teacher-aides; specialized learning support intervention, on-line learning tasks; individualized reading program; access to age and ability appropriate resources.
- Specialist support services include accessing the expertise of specialist teachers in the follow fields: health and physical education; religious instructions; occupational therapy; physiotherapy; speech-language pathology.
- Social skilling annual camp opportunities are offered to children in year levels 3 to 6.
- Literacy and numeracy blocks are identified for uninterrupted learning times.
- Intensive swimming instructions for an annual total of 10 weeks, utilizing the services of qualified swim coaches at a local swim school.
- LOTE (languages other than English) - Japanese is offered to students in Year 5 and 6 through the Charters Towers School of Distance Education.
- Queensland's Curriculum into the Classroom (C2C) units of work and associated assessment tasks and guides to making judgments form the basis of the school's curriculum intent. These units of work align with the Australian Curriculum and are under constant review to reflect version changes to the requirements of the Australian Curriculum.
- A whole school curriculum plan aligns units of work within each key learning area with each year level learning requirement for students.

Co-curricular Activities

- Interschool competitions such as: cross-country; swimming; athletics
- Community competitions include: Burdekin Festival of the Arts (School choir and verse speaking groups); ANZAC Day parades
- Individual participation in University of New South Wales testing program.
- An annual Fancy Dress Ball
- Under 8's day with invitations to participate extended to Kindy groups and any pre-preps in our community.
- Preparatory year orientation sessions spanning 8 to 10 weeks of Term 4.
- An annual book fair.
- Transitions programs: transition to high school; transition to prep.
- Social and fundraising activities include: family BBQs; fundraising BBQs, special events e.g. Easter Bonnet Parade
- Environmental activities including beautifying the school environment and weekly gardening activities.
- Engagement with Kids Matter strategies for health and wellbeing.
- Weekly non-denominational religious instructions based on Christian beliefs delivered by a local minister of religion.
- Various cultural activities shared with other small schools within the Burdekin District.

How Information and Communication Technologies are used to Assist Learning

Computers are used by our students to learn research and communication skills as well as engagement with coding to design their own games and create their own photoshop stories. The computer to student ratio is 1: 2 with a range of laptops, desktops and ipads available for student use. Robotics has been introduced into the school's learning opportunities. Students engage in a range of on-line learning tasks such as: Japanese language lessons; maths through IXL Maths; reading through Reading Eggs, Reading Express, Raz-kids; movie making and making powerpoint presentations. Students are able to access and store information from any location within the school utilizing our WiFi connectivity.

Social Climate

Overview

Students, staff and parents have indicated, through the annual School Opinion Surveys, that this school is a safe place to work, a good place to learn and that behavior is well managed with children being treated fairly. Parents, students and staff are supportive of the school and assist with maintaining the grounds and other resources relevant to enhancing and advancing wellbeing and health. Bullying is not tolerated within our school community. Children and parents agree that this is a safe, supportive school.

Airville State School has been providing educational excellence to children within the community for over 125 years. As a result our school has a community that promotes the well-being of all members of our small school community. "Always your Best" is the school's motto and it is this motto that informs all that we say and do. Our Responsible Behaviour Plan for Students clearly outlines the school's expectations of student behaviours and the consequence for non-compliance with same. Should bullying issues occur, they are dealt with in a timely manner. Positive behaviour for learning is encouraged and practised continuously and consistently. As future leaders our students are provided with consistent opportunities to develop the skills of resilience, respect and responsibility.

Parent, Student and Staff Satisfaction

Parent opinion survey

| Performance measure | | | |

* Nationally agreed student and parent/caregiver items

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

Parent and community engagement

Parents are invited and encouraged to become active members of the P&C which supports the school through providing: funds for resources; tuckshop lunches for student purchase; opportunities for community engagement at family BBQs; volunteer mowing and gardening services.

Other formats for parent engagement include: volunteer classroom work; school excursions; camps; invitations to participate in parent-teacher interviews and social events held at the school.

Effective communication between school staff and parents is essential to both student learning and the maintenance of positive interpersonal relationships between the stakeholders at the school. Parents are encouraged to contact the classroom teacher or the Principal in the early stages of a problem to address any concerns or issues before they escalate. The school clearly communicates policies and processes to parents on enrolment, in newsletter articles and on the information published within the school's website.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships. The school's Responsible Behaviour Plan clearly articulates the expectations the school has of children in their interactions and responses to others within the school community. Personal safety and cyber safety are explicitly taught to children through the annual health program. Strategies to deal with bullying and harassment are also explicitly taught to children through weekly parade items as well as through classroom activities. We utilize the basic moves of: Stop! Think! Before you Do! as effective strategies to allow children time to reflect before acting. Students participate in activities promoted by BraveHearts to understand personal safety and wellbeing. Our multi-denominational religious education program also provides opportunities for students to gain knowledge and skills to resolve conflict without violence. All staff have engaged in professional development that provides guidelines on how to respond to child safety and protection. Rural Health community programs delivered to students by the community nurse also provides information to students in relation to understanding the rights of others as well as building and maintaining respectful relationships with others.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

| SCHOOL DISCIPLINARY ABSENCES | | | |
|----------------------------------|------|------|------|
| Type | 2015 | 2016 | 2017 |
| Short Suspensions – 1 to 10 days | 0 | 0 | 0 |

| | | | |
|----------------------------------|---|---|---|
| Long Suspensions – 11 to 20 days | 0 | 0 | 0 |
| Exclusions | 0 | 0 | 0 |
| Cancellations of Enrolment | 0 | 0 | 0 |

Environmental Footprint

Reducing the school's environmental footprint

Airville's domestic water supply comes directly from our underground aquifer. Mulching of gardens and having watering timers attached to our taps has decreased the volume of water used to maintain the grounds. Every effort is made to decrease electricity use by following the school's power conservation plan. At times this is a more difficult issue to address due to the heat factor and due to the infestation of biting insects that occurs frequently in our locality. We do have a series of solar panels attached to one building with the power generated going back into the grid.

| ENVIRONMENTAL FOOTPRINT INDICATORS | | |
|------------------------------------|-----------------|----------|
| Years | Electricity kWh | Water kL |
| 2014-2015 | 34,763 | |
| 2015-2016 | 39,962 | |
| 2016-2017 | 35,819 | |

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

School Funding

School income broken down by funding source

School income, reported by financial year accounting cycle using standardized national methodologies and broken down by funding source is available via the *My School* website at <http://www.myschool.edu.au/>.

To access our income details, click on the *My School* link above. You will then be taken to the *My School* website with the following **'Find a school'** text box.

| Bachelor degree | 2 |
| Diploma | 1 |
| Certificate | |

*Teaching staff includes School Leaders

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2017 were \$4 257.00.

The major professional development initiatives are as follows:

- In-kind professional development activities included:
 - Mandatory training: Code of Conduct; Student Protection; Risk Assessment/Management; Workplace Health and Safety; Asbestos training
 - Collective learning through cluster school meetings and forums
 - Collaborative unpacking the Australian Curriculum and refining and adapting Queensland's Curriculum into the Classroom (C2C) units of work as operational documents suited to the multi-level class groupings at Airville State School.
 - One School Processes with a focus on data collections and reports to inform teaching and learning improvement.
 - Mentoring, coaching, moderation and professional feedback.
 - Unpacking data including NAPLAN data; Level of Achievement Data (LOA) and Literacy Continuum.
- Workshop participation in understanding and implementing programs to improve phonemic awareness knowledge and skills.
- Maintaining first aid qualifications for all staff.
- Understanding, implementing, maintaining and managing effective financial and corporate procedures.
- Implementing Scratch Coding Courses
- Principal professional engagement / meetings for: updating on curriculum initiatives; forums; learning fairs; roadshows; peer learning.

The proportion of the teaching staff involved in professional development activities during 2017 was 100%.

Staff Attendance and Retention

Staff attendance

| AVERAGE STAFF ATTENDANCE (%) | | | |
|--|------|------|------|
| Description | 2015 | 2016 | 2017 |
| Staff attendance for permanent and temporary staff and school leaders. | 97% | 98% | 95% |

Proportion of Staff Retained from the Previous School Year

From the end of the previous school year, 100% of staff was retained by the school for the entire 2017.

Performance of Our Students

Key Student Outcomes Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

| STUDENT ATTENDANCE 2017 | | | |
|---|------|------|------|
| Description | 2015 | 2016 | 2017 |
| The overall attendance rate* for the students at this school (shown as a percentage). | 97% | 95% | 94% |
| The attendance rate for Indigenous students at this school (shown as a percentage). | 97% | 98% | 92% |

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2017 for all Queensland Primary schools was 93%.

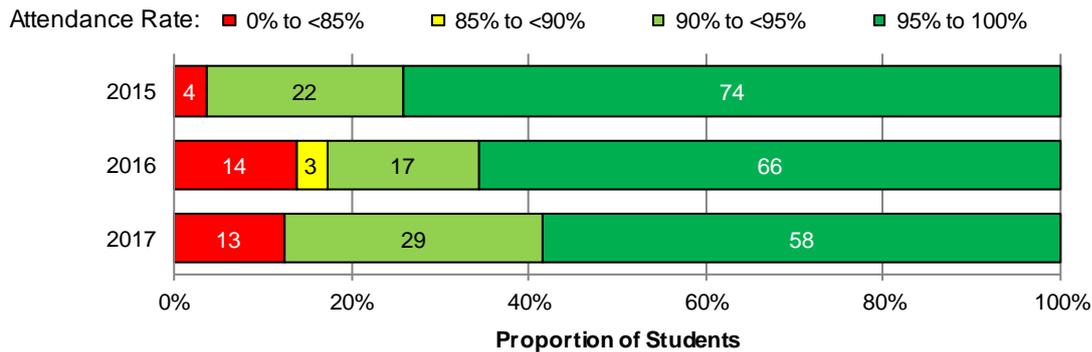

| AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL | | | | | | | | | | | | | |
|--|------|--------|--------|--------|--------|--------|--------|--------|--------|--------|---------|---------|---------|
| Year Level | Prep | Year 1 | Year 2 | Year 3 | Year 4 | Year 5 | Year 6 | Year 7 | Year 8 | Year 9 | Year 10 | Year 11 | Year 12 |
| 2015 | 94% | 97% | 97% | 96% | 97% | 97% | 98% | | | | | | |
| 2016 | 95% | 92% | 96% | 96% | 96% | 94% | DW | | | | | | |
| 2017 | 93% | 97% | 75% | 97% | 93% | 98% | 97% | | | | | | |

*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student Attendance Distribution

The proportions of students by attendance range:

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Class rolls are marked twice daily. (Morning at 9:00am and after lunch at 1:45pm) The administration officer follows up unexplained absences by phone call to parents. If a satisfactory explanation cannot be given, the Principal will contact the parents/caregivers. On-going contact is made with parents of regular non-attendance. If a satisfactory attendance is not achieved, formal notifications as per the Northern Regional's Attendance Policy are issued. Personal interviews with parents may also be required in relation to non-attendance of their child / children and to share the attendance requirements for children as per Department of Education procedures. Attendance can be affected by outbreaks due to epidemics such as the 'flu.

The school also implements a process of contacting parents, via a personal phone call, no later than 9:30am if a child is absent and we have not received information from a parent on same.

To increase attendance the school has attempted to lift the profile of the school within the community via regular fundraising BBQs in front of Woolworths. Flyers have been distributed to local Kindy's as well. Kindy / Pre-prep children at local kindies are also invited to attend our annual Under 8's day. The school also provides pictures and articles for publication in the local newspaper.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.
